

**S14**

**Activity: What should Anna and Walter Do?**

**Directions:** Anna and Walter have difficult decisions to make. For Anna, she needs to decide whether to support a strike. For Walter, he needs to decide whether to negotiate or support a lockout. What would each of the characters in the game tell them to do and why? How are the points of view of each of the characters determined by their experiences and status in life? Use the Character Worksheet [S1] to make your decisions.
